DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3 & 5-15 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art does not show or make obvious Applicants' widening. Although the prior art (such as the Khubani reference US2002/0092381A1) teaches a strap having an end thickening installed in a slit recess by a widened lower hole, there is no motivation to add this feature to a support structure of a convertible vehicle arranged across the roof.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul A. Chenevert whose telephone number is (571)272-6657. The examiner can normally be reached on Mon-Fri (8:30-5:00).
